Pietro Molla with Saint Gianna on their honeymoon

**“Love and sacrifice are as
intimately tied together as
sun and light. One cannot
love without suffering and
suffer without loving.”**

— Saint Gianna Beretta Molla

“And God saw everything that he had made, and behold, it was very good.” - Genesis 1:31

Dear Friends of Life,

I'm frequently asked about the most rewarding aspect of my work here at Saint Gianna and Pietro Molla Maternity Home, and my answer is two-fold. The easy answer is the babies – witnessing each new life that God has intricately crafted is always a profound experience. Meeting these little ones, who have been part of His plan since eternity, reveals the unfolding of God's purpose in their mothers' lives. Truly, God's ways are always good.

However, an even greater joy comes from witnessing the transformation and renewal in the mothers. As they embrace their journey into motherhood and discover the positive changes they wish for their children, they begin to evolve and prioritize their little ones, making life-altering decisions that will last for eternity.

Witnessing this is a joy that words cannot capture – it is genuinely the work of God, who continuously creates, loves, and shapes us. This year, we will celebrate two of our mothers joining the Church; one will be baptized and receive confirmation and First Holy Communion, while the other will be confirmed and partake in the Holy Eucharist for the first time. Additionally, we will have a newborn baptized – a symbol of new life and joy – affirming that indeed, God's ways are always good.

To our supporters, your contributions of time, prayers, and financial assistance empower us to serve these mothers and their little ones in our small village, where we continually witness God's grace and work. Thank you for accompanying us on this journey as we support these mothers. Your prayers and generosity in sharing the Gospel of Life are edifying. Please know that you are in our daily prayers as part of the Saint Gianna and Pietro Molla Maternity Home family.

Wishing you and your loved ones a glorious Easter!

With love always,

Mary Pat Jahner, Director

Miracle through Saint Gianna's intercession

For Grace, a medical student, and her husband Logan, the dream of starting a family was always part of the plan—but the timing wasn't so simple. While balancing the demands of medical school and facing challenges with fertility, they turned to prayer, seeking guidance and intercession from Saint Gianna, the Patron Saint of mothers, physicians, and unborn children.

Through their devotion, they were gifted one of Saint Gianna's relic cards, and their family joined in prayer, offering Masses on their behalf. After a period of waiting and trusting in God's plan, their prayers were answered—they conceived a baby girl, due in March 2025, perfectly aligning with Grace's medical training schedule.

However, in February, Logan and Grace discovered complications with their baby's heart, including a bicuspid valve and coarctation of the aorta. The doctors informed the couple that their baby would likely need open heart surgery immediately after birth.

Grace was induced two weeks early, and baby Gianna was born on March 3rd.

Amazingly, Gianna did not need open heart surgery after birth!

Medical staff continued to monitor her in the NICU. They discovered that two valves in baby Gianna's heart had partially fused together. Her doctors determined that the fusion and the aorta closure were not causing immediate danger to baby Gianna and advised a follow up echocardiogram.

After several appointments over the next two weeks, medical tests showed that Gianna's heart issues had disappeared! This miraculous discovery was confirmed by her cardiologist! She is a happy, thriving baby with grateful parents. Logan and Grace express their deepest gratitude to all who prayed for them.

We praise God for his goodness and miracles! Saint Gianna, pray for us!

GIVING HEARTS DAY

On February 13th, Giving Hearts Day, we exceeded our fundraising goal thanks to the generosity of so many people like you! Our goal this year was \$355,000. We had raised \$117,000 of that as our match in advance.

This outpouring of generosity allows us to support pregnant women and their children all year long. This year, Giving Hearts Day funds will allow the construction of an accessible entrance to our Home.

Thank you to our Giving Hearts this year! We appreciate your love and support. We also express our gratitude to everyone involved at the Impact Foundation, Dakota Medical Foundation, and the Sterns Family Foundation!

Johnny Holm and his band rocked the Minto Community Center walls on February 7th to kick off our Giving Hearts Day campaign. We are grateful to all who came to celebrate life with us!

We were honored to be chosen by the Giving Hearts Day team to film a promotional video at our Home. The video showcases our mission of supporting pregnant women and their children – one mother, one baby, one family at a time. Thank you to Whitney and Evan from Dakota Medical Foundation for putting this video together!

Giving Hearts Day

a tribute to

Michelle Bianco

wife, mother, doctor,
supporter of our Home

On November 22nd of this year, we lost our dear friend Michelle Bianco. Michelle was an extraordinary and cherished wife, mother, friend, and doctor who truly embraced life.

In 2021, she faced the daunting challenge of being diagnosed with ALS, a turning point in her journey. Despite the heartbreaking news, Michelle drew strength from her Catholic faith, inspiring many through her courageous fight. She described her diagnosis as “life transforming,” living with renewed passion and generosity, and savoring each moment as a precious gift. Over the past few years, she focused on creating beautiful memories with her family and friends, treating each day as a treasure.

***“Thank you for my life.
Help me live it well today!”***

-Dr. Michelle Bianco

Michelle embodied the profound wisdom of Saint Francis of Assisi: “Remember that when you leave this earth, you can take with you nothing that you have received – only what you have given: a full heart, enriched by honest service, love, sacrifice, and courage.” She lived out these principles and became a beacon of virtue through her suffering.

Grief in Michelle’s death but hope in the resurrection

Michelle is survived by her devoted husband, Bob, who stood by her side and faced this battle with her every day. He provided us with a beautiful example of the strength of marriage and selfless love. Their daughters, Anna and Elise, were Michelle and Bob’s greatest blessings, and while she placed her trust in God, it was difficult for her to say goodbye to Bob and the girls.

As a good friend of Michelle, Mary Pat shares, “Saying goodbye to this remarkable light in our world is difficult. She exemplified grace and generosity, making a significant impact at Saint Gianna and Pietro’s despite her suffering. More than a friend, she inspired us with her unwavering faith and trust in God’s plan. Though she is deeply missed, her legacy as a powerful intercessor and friend remains with us, offering hope in the resurrection.”

Once part of
the family,
always part
of the family

*A significant part of our
mission includes supporting
former residents.*

Our Home's staff is honored to provide substantial support to our former residents, many of whom lack family members who can assist them due to their own circumstances. We continue to support and love these individuals, as they truly become part of our Saint Gianna Home family. We maintain open communication through text messages with over half of our moms, sharing in their joys and challenges. Many of these moms struggle with feeling alone and overwhelmed. We assist them by visiting, inviting them to special occasions and holidays, and offering essential assistance when needs arise.

In recent months, we have covered an electric bill, provided gas cards generously donated by our supporters, and supplied groceries and household items for several moms (also generously donated). Additionally, we aided one mom in completing paperwork and, with the help of numerous local friends, furnished her apartment. Each day, we pray for all of them and keep them close to our hearts. These small acts of kindness not only offer practical assistance but also provide essential human contact, elevate their dignity, and remind them that they are not alone and are loved by both God and others.

You and your intentions will be remembered in the Holy Sacrifice of the Mass offered each First Saturday of the month. These intentions are offered November 1st to March 18th.
